2025-2026 SPONSORSHIPS

Dear Valued Meadowlark Supporter,

At Meadowlark, we believe every child deserves an inspiring, joyful, and enriching school experience. This is only possible with the support of our amazing community. As the Meadowlark PTSA, we're reaching out today to invite you to be part of something special. Can you help Meadowlark meet our 2025-2026 goals?

What Your Support Makes Possible

Thanks to generous donations from families and community partners, Meadowlark PTSA has been able to fund programs and resources that go above and beyond the basics. These include:

- School-wide assemblies with inspiring speakers and performers
- Memorable field trips and co-curricular experiences
- Teacher stipends and professional development opportunities
- Extra classroom supplies and learning materials
- Science lab equipment and hands-on STEM activities
- 3D printers and related technology
- Projectors and classroom TV displays to enhance instruction

What We're Working Toward This Year

This year, we're dreaming even bigger. With your support, in addition to continuing the programs above, we hope to:

- Host a student-led Meadowlark Fun Run and a Movie Night Community Extravaganza
- Upgrade and refresh Meadowlark's student-run broadcast studio
- Provide school shirts for every learning community, teacher, and staff member—nearly 950 shirts!
- Launch a brand-new Cultural Fair in collaboration with FET
- Fund even more programs that make school exciting, engaging, and unforgettable

We are actively seeking 2025–2026 school year sponsors to help us bring these exciting programs to life. If you or your business are ready to make a direct impact, we would love to partner with you!

Not ready for a full sponsorship? You can still make a big difference through in-kind donations—things like snacks for teachers, event prizes, classroom supplies, or sharing your professional skills or services. If you have an idea or want to explore how you can help, we're here to brainstorm with you.

Whether you're a business owner, neighbor, or already part of our community at Meadowlark your involvement helps create a thriving, connected community where every student can shine!

With appreciation,

Your Meadowlark PTSA

2025-2026 IN-KIND DONATIONS

Dear Meadowlark Supporter,

Did you know you can make a big impact at Meadowlark—without writing a check? In-kind donations—gifts of goods, services, or time—are a powerful way to support our students, staff, and school community through the Meadowlark PTSA.

Here are just a few ways you can contribute:

Donate Items

- Prizes for student incentives (small gifts, books, games, stickers, etc.)
- Sharpies, dry erase markers, tissues, Clorox wipes, and other classroom staples
- Catering, coffee, snacks, or drinks for staff appreciation events, meetings, or teacher conference meals
- Helping to stock the staff lounge with snacks to help fuel their day

Share Your Skills

- Photography or videography for school events (Fun Run, Movie Night, dances, PBL showcases, sports, concerts, etc.)
- Social media, marketing, website, or graphic design support
- Carpentry, event planning, printing services, or general handywork

Other Creative Contributions

- Discounted or donated services from your business (accounting, web design, CRM, etc.)
- Access to venues for meetings or events
- Materials for art, STEM, or school improvement projects

In-kind donations help us stretch our budget and make every dollar count as we support the students, families, and staff at Meadowlark. They directly support teachers, celebrate students, and build school spirit—and many are even tax-deductible (see note below).

If you're interested in donating or brainstorming ideas, we'd love to hear from you at Sponsorships@mavspsta.org. Every gift, big or small, makes a meaningful difference in our Meadowlark community.

With gratitude,

Your Meadowlark PTSA

WHAT MAKES MEADOWLARK UNIQUE

WHAT IS A LEARNING COMMUNITY?

At Meadowlark School, Learning Communities (LCs) are innovative, student-centered spaces designed to promote collaboration, creativity, and personalized learning.

Instead of traditional classrooms, LCs create flexible environments where students and teachers work together in shared spaces. This approach fosters a sense of belonging and encourages peer interaction across diverse age groups or abilities, enhancing both academic and social development.

WHAT IS PROJECT BASED LEARNING?

Project-Based Learning (PBL) at Meadowlark School is a hands-on, student-centered approach where students solve real-world problems through collaborative projects. It integrates multiple subjects, encouraging inquiry, critical thinking, and creativity.

Students work in teams, guided by teachers, to explore topics deeply, research solutions, and present their findings through exhibitions or portfolios. For example, a sustainable garden project might blend science, math, and writing.

This method helps students connect learning to real life while building skills like problem-solving and teamwork, preparing them for future success.
